SUMMERY

Entry-level front-end developer with more than 1.5 years of experience in building web pages. Seeking new opportunities and challenges that will expand my skill set.

PROJECTS

E-commerce Website — HTML, CSS & JAVASCRIPT

https://mhasan1037.github.io/E-commerce-2/

I have built JS components for different reusable parts like header and footer. Some data of the website is fetched from a JSON file and some of it is static. I have made a functional product ordering system on this website.

Construction Website — HTML, CSS & JAVASCRIPT

https://mhasan1037.github.io/Construction-Website/

It's a multi-page business website. It has a background slider, different CSS animations, a data filter with JS, a carousel slider, etc.

JAVASCRIPT & REACT PROJECTS

I have made many JS & React projects like an expense tracker, grad calculator, note app, tic tac toe, todo app, and many more.
